B. Amendment Log

In accordance with 7 CFR 273.7(c)(8), State agencies must submit plan revisions to the appropriate FNS Regional office for approval if it plans to make a significant change. For a complete list of situations requiring an amendment to the E&T State plan, see Plan Modifications in the E&T State Plan Handbook. The State agency must submit the proposed changes for approval at least 30 days prior to the planned implementation.

Please use the log below to document the submission of an amended plan. A single line in the log should capture each time a plan is amended and resubmitted, not each individual amendment throughout the plan.

To expedite the review process for amendment changes, please highlight areas where text has been added or changed. After FNS approval of amendment changes, highlighting must be removed and a clean, updated plan submitted to FNS.

- b) Highlight any changes from above that the State agency is making to the E&T program based on the prior year's performance, for instance changes made as a result of E&T outcome and participation data.

III. Consultation and Coordination with the Workforce Development System

State agencies must design the E&T program in consultation with the State workforce development board and operate the E&T program through the Statewide workforce development system (7 CFR 273.7(c)(5)). The goal of this section is to explain the relationship between the State agency and other organizations it plans to consult and coordinate with for the provision of services, including organizations in the statewide workforce development system. The statewide workforce development system refers to a network of providers, which may include government and the public sector; community-based organizations and non-profits; employers and industry; occupational training providers; and post-secondary institutions, such as community colleges. Please note the State workforce development board is an entity that establishes regional strategic plans and sets funding priorities for their area. They are distinct from State workforce agencies.

Consultation

Consultation with the workforce development system generally includes discussions to learn about services provided in the community and how each organization functions and coordinates with others in the community. State agencies can demonstrate they consulted with their State workforce development board by noting the dates of conversations, who they spoke with, what they spoke about, and how they incorporated this information into the design of their E&T program.

- a) **Consultation with State workforce development board:** Describe how the State agency consulted with the State workforce development board in designing its SNAP E&T program. This description should include with whom the State agency consulted and the outcomes of the consultation. If the State agency consulted with private employers or employer organizations in lieu of the State workforce development board, skip to question (b).

- b) **Consultation with employers:** If the State agency consulted with private employers or employer organizations in lieu of the State workforce development board, document this consultation and explain the determination that doing so was more effective or efficient. Include with whom the State agency consulted and the results of the consultation.

Coordination

Coordination with the workforce development system consists of efforts to partner with workforce providers to directly serve SNAP E&T participants or to align the flow or types of services offered across programs.

- c) **Special State Initiatives:** Describe any special State initiatives (i.e. Governor-initiated or through State legislation) that include SNAP E&T. Describe any efforts taken by the State agency to coordinate these programs, services, partners, and/or activities with the State's E&T program.

- d) **Coordination with title I of WIOA:** Describe the extent to which the State agency is carrying out SNAP E&T programs in coordination with title I programs under the Workforce Innovation and Opportunity Act (WIOA).

- e) **WIOA Combined Plan:** Is SNAP E&T included as a partner in the State's WIOA Combined Plan?

☐ Yes

☐ No

- f) **TANF/GA Coordination:** Describe how the State agency is coordinating with TANF/GA programs, services, partners, and/or activities. Describe any TANF/GA special initiatives targeting specific populations and any actions taken to coordinate with these efforts.

- g) **Other Employment Programs:** Describe how the State agency is coordinating its SNAP E&T program with any other Federal or State employment program (e.g. HUD, child support, re-entry, refugee services).

IV. Consultation with Indian Tribal Organizations (ITOs)

State agencies are required to consult with Tribes about the SNAP State Plan of Operations, which includes the E&T State Plan, per 7 CFR 272.2(b) and 272.2(e)(7). The consultations must pertain to the unique needs of Tribal members. State agencies are required to document the availability of E&T programs for Tribal members living on reservations in accordance with 7 CFR 273.7(c)(6)(xiii). The goal of this section is to describe how the State agency consulted with Indian Tribal Organizations (ITOs), describe the results of the consultation, and document the availability of E&T programs for Tribal members living on reservations.

a) Did the State agency consult with ITOs in the State?

- ☐ Yes, ITOs in the State were consulted. *(Complete the rest of this section.)*
- ☐ No, ITOs are located in the State but were not consulted. *(Skip the rest of this section.)*
- ☐ Not applicable because there are no ITOs located in the State. *(Skip the rest of this section.)*

b) Name the ITOs consulted.

c) **Outcomes:** Describe the outcomes of the consultation. Provide specific examples of how the State agency incorporated feedback from ITOs into the design of the E&T program (e.g., unique supportive service, new component, in-demand occupation).

d) **Enhanced reimbursement:** Will the State agency be seeking enhanced reimbursement for E&T services (75%) for ITO members who are residents of reservations, either on or off the reservation?

- ☐ Yes
- ☐ No

V. Utilization of State Options

State agencies have the flexibility to implement policy options to adapt and meet the unique needs of State populations. Check which options the State agency will implement.

a) The State agency operates the following type of E&T program (*select only one*):

- ☐ Mandatory per 7 CFR 273.7(e)
- ☐ Voluntary per 7 CFR 273.7(e)(5)(i)
- ☐ Combination of mandatory and voluntary

b) The State agency serves the following populations (*check all that apply*):

- ☐ Applicants per 7 CFR 273.7(e)(2)
- ☐ Exempt members of zero benefit households that volunteer for SNAP E&T per 7 CFR 273.10(e)(2)(iii)(B)(7)
- ☐ Categorically eligible households per 7 CFR 273.2(j)

c) Does the State agency enable ABAWDs to regain SNAP eligibility through E&T and verify that the ABAWD will meet the work requirement within 30 days subsequent to application per 7 CFR 273.24(d)(1)(iv)?

- ☐ Yes
- ☐ No

VI. Characteristics of Individuals Served by E&T

State agencies are required to include information about the categories and types of individuals they plan to exempt from mandatory E&T participation (7 CFR 273.7 (c)(6)(iv)), as well as the characteristics of the population they plan to place in E&T (7 CFR 273.7 (c)(6)(v)).

a) Describe the categories and types of individuals the State will exempt from mandatory E&T participation. In accordance with 7 CFR 273.7(e), State agencies may exempt from mandatory E&T participation, categories of work registrants (e.g. all those in counties X, Y, Z, or those in their first 30 days of receipt of SNAP) and individual work registrants based on certain personal characteristics or circumstances (e.g. lack of transportation or temporary disability). These exemptions are in addition to the federal exemptions from work requirements at 273.7(b) and only applicable to the E&T requirement at 7 CFR 273.7(a)(1)(ii). Exemptions from Mandatory E&T must also be listed in Table H 'Estimated Participant Levels' Sheet of the Excel Workbook.

(Note: States than run all-voluntary E&T programs would note that they exempt all work registrants.)

b) How frequently will the State plan to re-evaluate these exemptions from mandatory E&T?

c) What are the characteristics of the population the State agency intends to serve in E&T (e.g. target population)? This question applies to both mandatory and voluntary participants.

- ☐ ABAWDs
- ☐ Homeless
- ☐ Veterans
- ☐ Students
- ☐ Single parents
- ☐ Returning citizens (aka: ex-offenders)
- ☐ Underemployed
- ☐ Those that reside in rural areas
- ☐ Other: Click or tap here to enter text.

VII. Organizational Relationships

State agencies are required to include information on the organizational relationship between the units responsible for certification and the units operating the E&T components, including units of the statewide workforce development system, if available. For the purposes of the questions below, E&T providers are considered to include units of the Statewide workforce development system. FNS is specifically interested in ensuring that the lines of communication are efficient and that, if applicable, noncompliance with mandatory E&T is reported to the certification unit within 10 working days after the noncompliance occurs, per 7 CFR 273.7(c)(4). State agencies must also include information on the relationship between the State agency and other organizations it plans to coordinate with for the provision of services.

The following questions are about how the E&T program is structured in your State agency.

a) Please indicate who at the State agency directly administers the E&T program (i.e. establishes E&T policy, contracts for E&T services, monitors providers). For

example, if the E&T program unit is separate from the SNAP certification unit, and if there are separate E&T units at the county level.

- b) How does the E&T unit coordinate and communicate on an ongoing basis with the units responsible for certification policy?

- c) Describe the State's relationships and communication with intermediaries or E&T providers (if applicable):

1. Describe how the State agency, intermediaries, E&T partners, share participant data and information. Include the names of any MIS systems (or other modes of communication) used.

2. If the State uses an MIS system, describe the E&T related data that is tracked and stored in those systems (e.g. referrals, noncompliance with program requirements, provider determinations, etc.), and whether the system(s) interact with each other.

3. Describe how the State agency shares new policies, procedures, or other information with the intermediary or other E&T partners.

4. Describe the State agency's process for monitoring E&T partners' program and fiscal operations. Include plans for direct monitoring such as visits, as well as indirect monitoring such as reviewing program data, financial invoices, etc.

5. Describe how the State agency evaluates the performance of partners in achieving the purpose of E&T (assisting members of SNAP households in

gaining skills, training, work, or experience that will increase their ability to obtain regular employment and meets State or local workforce needs).

VIII. Screening for Work Registration

State agency eligibility staff must screen for exemptions from work registration, per 7 CFR 273.7(a).

- a) Describe how the State agency screens applicants to determine if they are work registrants.

- b) How does the State agency work register non-exempt individuals? For example, does the State agency make a notation in the file, do individuals sign a form, etc.?

- c) At what point in the certification process does the State agency provide the written explanation and oral notification of the applicable work requirements?

IX. Screening for Referral to E&T

The State agency must screen each work registrant to determine if it is appropriate, based on State specific criteria, to refer them to the E&T program per 7 CFR 273.7 (c)(2). State agencies may operate program components in which individuals elect to participate, per 7 CFR 273.7(e)(4).

- a) List the State-specific criteria eligibility workers use to screen individuals to determine if it is appropriate to refer them to the State's SNAP E&T program. (Note: This question is not asking about criteria that may be unique to each provider.)

- b) Describe the process for screening during the certification and recertification process. Include the staff involved in the screening, how the staff conduct the screening, and when the screening occurs.

- c) *(If applicable)* Describe the process for screening upon receipt of a request for referral to E&T from an E&T provider (reverse referral). Include the staff involved in the screening, how the staff conduct the screening, and when the screening occurs.

- d) How and when are participants informed about participant reimbursements? In the case of mandatory participants, how and when does the State agency ensure individuals are exempted from mandatory E&T if the costs of participant reimbursements exceed any State agency cap or are not available?

X. Referral to E&T

In accordance with 7 CFR 273.7(c)(2), the State agency must refer participants to E&T.

- a) What information does the State provide to E&T participants when they are referred and how is the referral communicated (e.g. information about accessing E&T services, case management, dates, contact information)?

- b) If a State receives and approves a referral request from an E&T provider (reverse referral), how does the State communicate to the SNAP participant that they are in SNAP E&T and about their rights to receive participant reimbursements, etc.?

- c) After referral, describe what the E&T participant must do next. For instance, if the participant must report for an orientation describe who conducts the orientation, where the orientation occurs (e.g. in-person at a provider, log-in to a computer program, telephone interview with a case manager), and what happens during the orientation. If the next step varies throughout the State, describe the most common next step.

- d) How is information about the referral communicated within the State agency? For instance, is the information entered into an MIS by the eligibility worker and reviewed by an E&T specialist?

- e) How is information about the referral communicated to E&T providers, as applicable? If the State works with E&T providers outside the State agency, how does the E&T provider know a SNAP participant has been referred to them?

XI. Assessment

As a best practice, SNAP participants should be assessed after referral to ensure they receive targeted E&T services.

- a) Does the State require or provide an assessment?

☐ Yes (*Complete the remainder of this section.*)

☐ No (*Skip to the next section.*)

- b) If yes, describe the processes in the State, if any, to provide E&T participants with an assessment (e.g. who conducts the assessment, when are participants assessed, what tools *are* used, and how are the results shared with State agency staff, providers, and/or participants)

XII. Case Management Services

The State E&T program must provide case management services to all E&T participants. In accordance with 7 CFR 273.7(c)(6)(ii), State agencies are required to include specific information about the provision of case management services in the E&T State plan.

- a) What types of E&T case management services will the State agency provide?

Check all that apply.

☐ Comprehensive intake assessments

☐ Individualized Service Plans

☐ Progress monitoring

☐ Coordination with service providers

☐ Reassessment

☐ Other. Please briefly describe: Click or tap here to enter text.

- b) Describe how case management services are delivered in your State. For instance, in one model case management is provided by E&T specialists who provide assessments and other services after participants are referred to E&T. In other instances, case management is integrated into the component. If your State uses more than one model, describe the one or two most common ways of delivering case management services.

--

- c) Using the table below, describe how E&T case managers coordinate with other staff and services. Coordination can involve tracking E&T participation, sharing information that may be relevant to participation in E&T (e.g. information related to good cause or a work exemption), and referral to additional services.

Communication/Coordination with:

SNAP eligibility staff:	
State E&T staff:	
Other E&T providers:	
Community resources:	

- d) Describe how the State agency will ensure E&T participants receive targeted case management services through an efficient administrative process, per 7 CFR 273.7(c)(6)(ii).

--

XIII. Conciliation Process (if applicable)

In accordance with 7 CFR 273.7(c)(3), State agencies have the option to offer a conciliation period to noncompliant E&T participants. The conciliation period provides mandatory E&T participants with an opportunity to comply before the State agency sends a notice of adverse action. The conciliation process is not a substitute for the determination of good cause when a client fails to comply.

- a) Does the State agency offer a conciliation process?

☐ Yes (Complete the remainder of this section.)

☐ No (Skip to the next section.)

- b) Describe the conciliation process and include a reference to State agency policy or directives.

--

c) What is the length of the conciliation period?

--

XIV. Disqualification Policy for General Work Requirements

This section applies to the General Work Requirements, not just to E&T, and should be completed by all States, regardless of whether they operate a mandatory or voluntary E&T program.

All work registrants are subject to SNAP work requirements at 7 CFR 273.7(a). A nonexempt individual who refuses or fails to comply without good cause, as defined at 7 CFR 273.7(i)(2), (i)(3), and (i)(4), with SNAP work requirements will be disqualified and subject to State disqualification periods. Noncompliance with SNAP work requirements includes voluntarily quitting a job or reducing work hours below 30 hours a month, and failing to comply with SNAP E&T (if assigned by the State agency).

- a) What period before application does the State agency use to determine voluntary quit and/or reduction in work effort without good cause per 7 CFR 273.7(j)(1)?
- ☐ 30 days
 - ☐ 60 days
 - ☐ Other: Click or tap here to enter text.
- b) For all occurrences of non-compliance discussed below, must the individual also comply to receive benefits again?
- ☐ Yes
 - ☐ No
- c) For the first occurrence of non-compliance per 7 CFR 273.7(f)(2)(i), the individual will be disqualified until the later of:
- ☐ One month or until the individual complies, as determined by the State agency
 - ☐ Up to 3 months
- d) For the second occurrence of non-compliance per 7 CFR 273.7(f)(2)(ii), the individual will be disqualified until the later of:
- ☐ Three months or until the individual complies, as determined by the State agency
 - ☐ Up to 6 months

- e) For the third or subsequent occurrence per 7 CFR 273.7(f)(2)(iii), the individual will be disqualified until the later of:
- ☐ Six months or until the individual complies, as determined by the State agency
 - ☐ Time period greater than 6 months
 - ☐ Permanently
- f) The State agency will disqualify the:
- ☐ Ineligible individual only
 - ☐ Entire household (if head of household is an ineligible individual) per 7 CFR 273.7(f)(5)(i)

XV. Good Cause

In accordance with 7 CFR 273.7(i), the State agency is responsible for determining good cause when a SNAP recipient fails or refuses to comply with SNAP work requirements. Since it is not possible for FNS to enumerate each individual situation that should or should not be considered good cause, the State agency must take into account the facts and circumstances, including information submitted by the employer and by the household member involved, in determining whether or not good cause exists.

- a) Describe the State agency process to determine if a non-exempt individual has good cause for refusal or failure to comply with a SNAP work requirement. Include how the State agency reaches out to the SNAP participant, employers, and E&T providers (as applicable), as well as how many attempts are made to reach out to the SNAP participant for additional information.

- b) What is the State agency's criteria for good cause?

- c) Please describe the State agency's process to determine good cause if there is not an appropriate and available opening for an E&T participant.

XVI. Provider Determinations

In accordance with 7 CFR 273.7(c)(18) a State agency must ensure that E&T providers are informed of their authority and responsibility to determine if an individual is ill-suited for a particular E&T component.

- a) Describe the process used by E&T providers to communicate provider determinations to the State agency.

--

- b) Describe how the State agency notifies clients of a provider determination. Please include the timeframe for contacting clients after receiving a provider determination.

--

XVII. Participant Reimbursements

In accordance with 7 CFR 273.7(d)(4), State agencies are required to pay for or reimburse participants for expenses that are reasonable, necessary, and directly related to participation in E&T. State agencies may impose a maximum limit for reimbursement payments. If a State agency serves mandatory E&T participants, it must meet all costs associated with mandatory participation. If an individual's expenses exceed those reimbursements available by the State agency, the individual must be placed into a suitable component or must be exempted from mandatory E&T.

Table E.I. Estimates of Participant Reimbursements

<p>I. Estimated number of E&T participants to receive participant reimbursements. This is an unduplicated count. If an individual participates in more than one month, they would only be counted once.</p> <p><i>State agencies should take into consideration the number of mandatory E&T participants projected in Table H – Estimated Participant Levels in the Excel Workbook, and the number of mandatory E&T participants likely to be exempted, if the State agency cannot provide sufficient participant reimbursements.</i></p>	
<p>II. Estimated number of E&T participants to receive participant reimbursements per month. This is a duplicated count. This calculation can include the same individual who participates in more than one month.</p>

IV.	Estimated budget for E&T participant reimbursements per month in upcoming FY. (Row III/12)	
V.	Estimated amount of participant reimbursements per E&T participant per month. (Row IV/Row II)	

Participant Reimbursement Details

Complete the table below with information on each participant reimbursement offered/permitted by the State agency (do not indicate information for each provider). A description of each category is included below.

- **Allowable Participant Reimbursements.** Every State agency must include child care and transportation in this table, as well as other major categories of reimbursements (examples of categories include, but are not limited to: tools, test fees, books, uniforms, license fees, electronic devices, etc.). Mandatory States must meet all costs associated with participating in an E&T program, or else they must exempt individuals from E&T.
- **Participant Reimbursement Caps (optional).** States have the option to establish maximum levels (caps) for reimbursements available to individuals. Indicate any caps on the amount the State agency will provide for the participant reimbursement.
- **Who provides the participant reimbursements?** Indicate if the participant reimbursement is provided by the State agency, a provider, an intermediary, or some other entity. The State agency remains ultimately responsible for ensuring individuals receive participant reimbursements, even if it has contracted with another entity to provide them.
- **Method of disbursement.** Indicate if the participant receives the participant reimbursement *in advance* or as a *reimbursement*. Also indicate if the amount of the participant reimbursement is an *estimated amount* or the *actual amount*.

Table E.II. Participant Reimbursement Details

The following table should be completed with details that reflect the State agency's policies on allowable reimbursements. If the response varies by E&T provider, include examples to illustrate this variation. Expenses must be listed in the State plan and approved by FNS to be allowable.

Allowable Participant Reimbursements	Participant Reimbursement Caps (optional)	Who provides the participant reimbursement?	Method of disbursement

- a) If providing dependent care, specify payment rates for child care reimbursements, established in accordance with the Child Care and Development Block Grant (CCDBG) and based on local market rate surveys. If alternative dependent care is provided by the State agency in lieu of reimbursement, describe these arrangements.

--

- b) If dependent care agencies have a waiting list or otherwise cap the number of enrolled dependents, how will the State agency ensure E&T participants with dependent care needs receive dependent care?

XVIII. Work Registrant Data

The SNAP general work requirements are described at 7 CFR 273.7(a). Individuals who do not meet an exemption from the general work requirements, as listed in 7 CFR 273.7(b)(1), are subject to the general work requirement and must register for work. In accordance with 7 CFR 273.7(c)(10), the State agency must submit to FNS the number of work registrants in the State as of October 1st. This information is submitted on the first quarter E&T Program Activity Report.

- a) Describe the process the State agency uses to count all work registrants in the State as of the first day of the new fiscal year (October 1). Please provide information about how data is pulled from the eligibility system. For instance, how work registrants are identified and how counting is conducted.

b) Describe measures taken to prevent duplicate counting.

F. Pledge to Serve All At-Risk ABAWDs (if applicable)

The Act authorizes FNS to allocate \$20 million annually to State agencies that commit, or pledge, to ensuring the availability of education, training, or workfare opportunities that permit able-bodied adults without dependents (ABAWDs) to remain eligible beyond the 3-month time limit.

To be eligible for these additional funds (pledge funds), State agencies must pledge to offer and provide an opportunity in a work program that meets the participation requirements of 7 CFR 273.24 to every applicant and recipient who is in the last month of the 3-month time limit and not otherwise exempt. Individuals are exempt from the time limit if they meet an exception under 7 CFR 273.24(c), reside in an area covered by a waiver in accordance with 7 CFR 273.24(f), or who are exempted by the State under 7 CFR 273.24(g). ABAWDs who meet the criteria outlined in 7 CFR 273.7(d)(3)(i) are referred to as “at-risk” ABAWDs.

a) Is the State agency pledging to offer qualifying activities to all at-risk ABAWDs?

- ☐ Yes (Complete the rest of this section.)
- ☐ No (Skip to Section G: Component Detail.)

Table F.I. Pledge Assurances

Check the box to indicate that the State agency understands and agrees to comply with the following provisions, per 7 CFR 273.7(d)(3).	Check Box
The State agency will use the pledge funds to defray the costs of offering every at-risk ABAWD a slot in a qualifying component.	<input type="checkbox"/>
The cost of serving at-risk ABAWDs is not an acceptable reason for failing to live up to the pledge. The State agency will make a slot available and the ABAWD must be served even if the State agency exhausts all of its 100 percent Federal funds and must use State funds.	<input type="checkbox"/>
While a participating State agency may use a portion of the additional funding to provide E&T services to ABAWDs who are not at-risk, the State agency guarantees that at-risk ABAWDs are provided with opportunities by the State agency <u>each month</u> to remain eligible beyond the 3-month time limit.	<input type="checkbox"/>
The State agency will notify FNS immediately if it realizes that it cannot obligate or expend its entire share of the ABAWD allocated funds, so that FNS may make those funds available to other participating pledge States within the fiscal year.	<input type="checkbox"/>
The State agency will be ready on October 1 st to offer and provide qualifying activities and services each month an ABAWD is at-risk of losing their benefits beyond the 3-month time limit.	<input type="checkbox"/>

b) Where will the State agency offer qualifying activities?

- ☐ Statewide
- ☐ Limited areas of the State (Complete questions c and d below.)

c) Explain why the State agency will offer qualifying activities in limited areas of the State.

☐ ABAWD waiver for parts of the State

☐ Will use discretionary exemptions

☐ Other: Click or tap here to enter text.

d) If the State agency will be offering qualifying activities only in limited areas of the State, please list those localities/areas.

e) How does the State agency identify ABAWDs in the State eligibility system?

f) How does the State agency identify ABAWDs that are at-risk?

g) When and how is the offer of qualifying activities made? Include the process the State agency uses to ensure that at-risk ABAWDs receive an offer of a qualifying component for every month they are at risk, including how the offer is made.

The next set of questions is intended to establish the State agency's overall capacity and ability to serve all at-risk ABAWDs during the fiscal year through the services available in SNAP E&T as well as through other qualifying activities available through other Federal or State employment and training programs. In addition to SNAP E&T components, qualifying activities for ABAWDs include programs that operate outside of SNAP E&T. Such as Optional Workfare programs, WIOA title I programs, programs under Section 236 of the Trade Act of 1974, Veterans employment and training programs offered by the Department of Veterans Affairs or the Department of Labor, and Workforce Partnerships in accordance with 7 CFR 273.7(n).

h) What services and activities will be provided through SNAP E&T? (List the components and participant reimbursements.) This should be consistent with the components detailed in Section G, as well as Section E-XIV regarding participant reimbursements.

i) What services and activities will be provided outside of SNAP E&T? (List the operating program, such as title 1 of WIOA, services and activities.)

- j) To pledge, State agencies must have capacity to offer a qualifying activity to every at-risk ABAWD for every month they are at-risk. What is the State agency's plan if more ABAWDs than expected choose to take advantage of the offer of a qualifying activity? For instance, how will the State agency ensure the availability of more slots? What steps has the State agency taken to guarantee a slot through agreements or other arrangements with providers?

I. How many ABAWDs did you serve in E&T in the previous FY?	
II. How many SNAP recipients are expected to be ABAWDs this fiscal year? This should be an unduplicated count. If an individual is an ABAWD at any time during the fiscal year, they would be counted only once. Note: This should be consistent with the projected number of ABAWDs shown on Table H row 11 in the Excel Workbook.)	
III. How many ABAWDs will meet the criteria of an at-risk ABAWD? This should be an unduplicated count. If an individual is an at-risk ABAWD at any time during the fiscal year, they would be counted only once. (Note: This should be consistent with the projected number of at-risk ABAWDs shown on Table H row 14 in the Excel Workbook.)	
IV. Number of at-risk ABAWDs averaged monthly? This should be annual total from line (III) divided by 12.

G. Component Detail

The goal of this section is to provide a comprehensive description of E&T program components and activities that the State agency will offer. A State agency's E&T program must include one or more of the following components: supervised job search; job search training; workfare; work experience or training; educational programs; self-employment activities; or job retention services. The State agency should ensure that the participation levels indicated in this section align with other sections of the State Plan, such as the projected participant levels in Section H – Estimated Participant Levels.

Complete the following questions for each component that the State agency intends to offer during the fiscal year.

I. Non-Education, Non-Work Components

Complete the tables below with information on each non-education, non-work component that the State agency intends to offer during the fiscal year. ***If the State does not plan to offer one of the components in the table, please leave the cells blank.*** For each component that is offered, the State should include the following information:

- **Direct link (applies to SJS only).** Explain how the State agency will ensure that supervised job search activities will have a direct link to increasing the employment opportunities of individuals engaged in the activity (i.e. how the State agency will screen to ensure individuals referred to SJS are job ready and how the SJS program is tailored to employment opportunities in the community).
- **Description of the component (applies to JST, SET, and Workfare).** Provide a brief description of the activities and services.
 - **For JR Only:** Provide a summary of the activities and services. Include a description of how the State will ensure services are provided for no less 30 days and no more than 90 days.

- **Target population.** Identify the population that will be targeted. Include special populations such as ABAWDs, Returning Citizens, Homeless, Older Disconnected Youth, etc.
- **Criteria for participation.** What skills, knowledge, or experience is necessary for participation in the component? For example, literacy or numeracy levels, recent labor market attachment, computer literacy etc.
- **Geographic area.** Where will the component be available (statewide, regional, counties, localities not covered by ABAWD waivers, areas covered by American Job Centers, etc.).
- **E&T providers.** Identify all entities that will provide the service.
- **Projected annual participation.** Project the number of unduplicated individuals.

III. Work Experience (WE)

Work experience is divided into two subcomponents per 7 CFR 273.7(e)(2)(iv): Work activity (WA) and Work-based learning (WBL). WBL activities like internships, apprenticeships, and on-the-job training, among others, may provide wages subsidized by the E&T program. In order to capture information about WBL activities that may be subsidized or unsubsidized by E&T, there are two sets of tables below for each kind of WBL activity – the first group of tables are for activities not subsidized by E&T (e.g. Work-based learning – Internships) and the second group of tables are for activities subsidized by E&T (e.g. Work-based learning – Internships - Subsidized by E&T). Note that subsidized means programs where E&T funding is used to subsidize wages of participants. Subsidized in this context does not mean programs where participants receive a subsidized wage from another source.

Work Activity and Unsubsidized WBL Components

Complete the tables below with information on Work Activity and each unsubsidized WBL component that the State agency intends to offer during the fiscal year. ***If the State does not plan to offer one of the components in the table, please leave the cells blank.*** For each component that is offered, the State should include the following information:

I. Contracts/Partnerships

For each partner/contractor that receives more than 10% of the E&T operating budget, complete the table below. If all partners receive less than 10% of the budget, provide the information in the table for the five providers who receive the largest total amount of E&T funding. Partners are the entities that the State agency has contracted with or has agreements (MOUs or MOUAs) with for the delivery of E&T services. All partner contracts must be available for inspection by FNS as requested. (Note: All E&T partners and contracts will be included in the Contract and Partnership Matrix in the Operating Budget Excel Workbook.)

J. Budget Narrative and Justification

Provide a detailed budget narrative that explains and justifies each cost and clearly explains how the amount for each line item in the operating budget was determined. Note that the E&T State plan is a public document and must be made available to the public upon request, so the budget should not identify individual names or salaries that are not subject to public disclosure requirements. State agencies should note that the direct costs noted below are exclusively those attributed to the State and local SNAP agencies.

Table J.I. Direct Costs

Salary/Wages: List staff positions in FTE and time spent on the project. Example: E&T Program Manager - \$60,000 x .50 FTE = \$30,000 5 E&T Counselors - \$25,000 x 1.00 FTEs x 5 = \$125,000	
Fringe Benefits: If charging fringe and benefits to the E&T program, provide the approved fringe rate.	
Contractual Costs: All contracts and partnerships should be included in the “contracts and partnerships” matrix of the E&T State Plan Operating Budget Workbook. Briefly summarize the type of services contractors/partners will provide, such as direct E&T program services, IT services, consulting, etc.	
Non-capital Equipment and Supplies: Describe non-capital equipment and supplies to be purchased with E&T funds.	
Materials: Describe materials to be purchased with E&T funds.	
Travel & Staff Training: Describe the purpose and frequency of staff travel charged to the E&T program. This line item should not include E&T participant reimbursements for transportation. Include planned staff training, including registration costs for training that will be charged to the E&T grant.	
Building/Space: If charging building space to the E&T program, describe the method used to calculate space value.	
Equipment & Other Capital Expenditures: Describe equipment and other capital expenditures over \$5,000 per item that will be charged to the E&T grant. (In accordance with 2 CFR 200.407, prior written approval from FNS is required.)	

- a) **Indirect Costs.** Indirect costs (also called overhead costs) are allowable activities that support the E&T program, but are charged directly to the State agency. If using an indirect cost rate approved by the cognizant agency, include the approval letter as an attachment to the E&T State plan.
